

Oxigenesis Announces the Launch of ASO® Oxygen Sport Supplement

Stabilized Oxygen Designed to Promote High-Performance Energy.

PRLog - July 30, 2015 - PASO ROBLES, Calif. - <http://vimeo.com/114161707>

Oxigenesis, a formulator of nutritional oxygen supplements, announces the launch of ASO® Sport (Sports Activated Stabilized Oxygen). ASO® naturally increases the body's blood oxygen levels, which is so important for rapid recovery, increased energy, and high endurance.

Filled with bioavailable oxygen, ASO® Sport is a unique formula that is revolutionizing the sports supplement industry today. This all-natural powerhouse helps to enhance energy by providing adequate oxygen during strenuous exercise for maximum power output, whether at the gym, on the field, or on the court.

ASO® Sport improves stamina and endurance, which is so valuable during competition, as it helps outperform opponents with ease. This oxygen supplement provides cells with quality energy production, and is vital to help ward off fatigue—resulting in high levels of endurance for maximum performance.

With its ability to conduct unique studies of oxygen-related products, Oxigenesis is quickly developing a name in the sports nutrition industry. The valuable data provided by Oxigenesis helps athletes fully understand ASO® Sport, and experience high levels of intense training for optimal results.

ASO Pro

The extensive research studied by Oxigenesis investigates the physiological effects of consuming ASO® Sport, and helping athletes speed up recovery, and improve performance—which paves the way for a more competitive spirit.

The test trials used by Oxigenesis demonstrates how ASO® Sport helps to sustain effort and energy during competition. ASO® fights fatigue, and makes the difference by helping achieve goals, and promoting long-term health.

With a constant effort to educate the world about oxygen-related products, Oxigenesis strives to help others who want to know more about the importance of ASO® Sport.

ASO Sport is delivered in a 2 ounce fluid bottle with a retail value of \$34.95. It is also available in larger sizes. It is classified as a dietary supplement*. First-time buyers have the opportunity to try this powerful supplement at 50% off with a 100% money-back guarantee. (Use Special Offer Code DC15A3 when ordering!)

ASO Sport is now available at <https://oxigenesis.com/>, and nationwide at select health and nutrition vitamin stores.

For more information, please call (954) 643-1153 or email at sales@oxigenesis.com.
